

Patinas Lighting has been involved in design and production of classical, art nouveau and art deco brass lighting since 1981 in Budapest, Hungary.

Our profession and passion is to create the perfect lamp for our customers and partners. Each lamp is a unique piece, therefore it will maintain and even increase its value over time.

The lamps are 100% handmade of pure brass and can be ordered in various finishes such as antique, shiny brass, nickel or chrome. Distinguishing mark of Patinas lighting is their unique and well proportioned design.

We hope that our selection will inspire you in order to achieve a perfect result.

Please do not hesitate to contact our team for further assistance.
